THURSDAY

Germaine Richier at [Dominique Lévy](#) and [Galerie Perrotin](#)

February 27 – April 12

Opening: February 27, 6-8pm

909 Madison Avenue

Germaine Richier will present more than forty important sculptures ranging from early torsos and figures, to startling hybrids of humans crossed with bats, toads, spiders, and vegetal organism, that brought the artist international recognition before her untimely death at the age of 57.
