## PIERRE SOULAGES

**Dominique Levy and Galerie Perrotin shared space 909 Madison/ 24 April - 27 June**

As a proud Franco-American, French culture has always been a big part of my life so I'm very much looking forward to Pierre Soulages's exhibitions at Dominique Levy and Galerie Perrotin. The artist—who is practically a national treasure—is, at 94, considered the most significant living artist in France. The exhibition will feature some recent paintings alongside seminal works created in the 1950s and '60s.
